

Position Announcement

City Manager: City of New Ulm, Minnesota

Salary Range: \$109,782 to \$133,556

The City of New Ulm, Minnesota, seeks to fill the position of City Manager. This clean, safe community offers a small town feel with big city amenities making this City a wonderful place to call home.

The position requires a bachelor's degree in Business, Public Administration, or related field, and five years of responsible management experience in a public agency involving city or county management. Master's degree in Public or Business Administration and specific prior experience as a City Manager/Administrator or County Administrator preferred.

The position profile is available at <https://www.ddahumanresources.com/active-searches>.

To apply, visit <https://daviddrown.hiringplatform.com/25473-new-ulm-city-manager/67637-application-form/en>, and complete the process by February 6, 2019.

Finalists will be selected by the City Council on March 5, 2019, and final interviews will take place on March 26 & 27, 2019.
