POSITION ANNOUNCEMENT

Public Works Working Foreman: City of Crosby, Minnesota

Salary Range: $49,171 to $63,939

Population: 2,360

Community Information:
Crosby - where small-town friendliness and service are a tradition! Built around Serpent Lake in the heart of Cuyuna Country, the Crosby area offers dozens of beautiful natural lakes, hunting and fishing, bike trails, and an iconic Main Street. Join the City of Crosby as its Public Works Working Foreman to oversee the upkeep of its streets, parks, cemetery, water, sewer, storm drain utilities, and City-owned buildings. Visit https://www.cityofcrosby.com/ for more information about this community and its many amenities.

General Duties:
The Public Works Working Foreman is responsible for all Public Works activities including streets, parks, cemetery, water, sewer, storm drain utilities, and City-owned buildings. In addition, the position will be responsible for supervising Public Works employees and providing work assignment and direction to both full-time and part-time employees and responding to infrastructure emergencies as needed.

The full job description can be viewed at https://www.ddahumanresources.com/active-searches.

Qualifications:
Requires specialized training and six years of experience in public water service as well as the acquisition and maintenance of a Class B CDL and Water Operator License C&D.

Apply:
If you have what it takes to be a strong leader who is conscientious, committed, and an effective communicator, go to https://daviddrown.hiringplatform.com/56211-crosby-public-works-working-foreman/188602-application-form/en, and complete the application process by March 11, 2021.
